ASSOCIATE
MEMBERS

We deliver the air 50 different ways.

Atlas Copco make a range of 50 different portable compressors with pressures ranging from 7 to 20 bar and capacities from 40 to 709 l/s. You can also choose from a variety of engines, oil-injected or oil-free, unsilenced, silenced or super silenced.

So at Atlas Copco you can get

your air any way you want it. And you also get Atlas Copco reliability and advanced technology, such as our patented asymmetric rotors engineered to computerized specifications.

Atlas Copco also like to be close by at all times, so we offer 15 major

compressed air centres and some 150 distributors spread throughout Australia. In other words, we've got the equipment, the people, the parts and after-sales facilities to back everything we offer.

Atlas Copco

**You don't just buy equipment
You buy a company.**

Just minutes, from chainsaw

to slicing steel.

Hire it out either way, as a Chainsaw or a CutQuik. With the Stihl 08S powerhead you can rent out either, and change one for the other in minutes. With power to slice through steel, concrete and asphalt as easily as hardwood. Plus you get all the West-German engineering and reliability that makes Stihl such a great, low-maintenance hire tool.

Stihl. The best selling chainsaws in the world.

Please send me by return your full-colour brochure on the CutQuik.
