# THE BIG PUNCH

**NEW RANGE  
PORTABLES**

**A FIGHTER NEEDS STRENGTH, ENDURANCE AND A BIG PUNCH.  
A PORTABLE COMPRESSOR NEEDS EXACTLY THE SAME QUALITIES.**

Strength and endurance to withstand round after round of punishing work without let-up, and a big punch to deliver the air power needed to get the job done.

The Ingersoll-Rand team of portable compressors is like a stable of professional fighters – everything from lightweights to heavyweights – all prepared and tuned to provide controlled, aggressive performances when needed.

And all are backed by the best “corner-men” in the business – specialised distributors and technical experts located throughout the country.
